Product images and source-provided specifications are reproduced without adding unverified details.

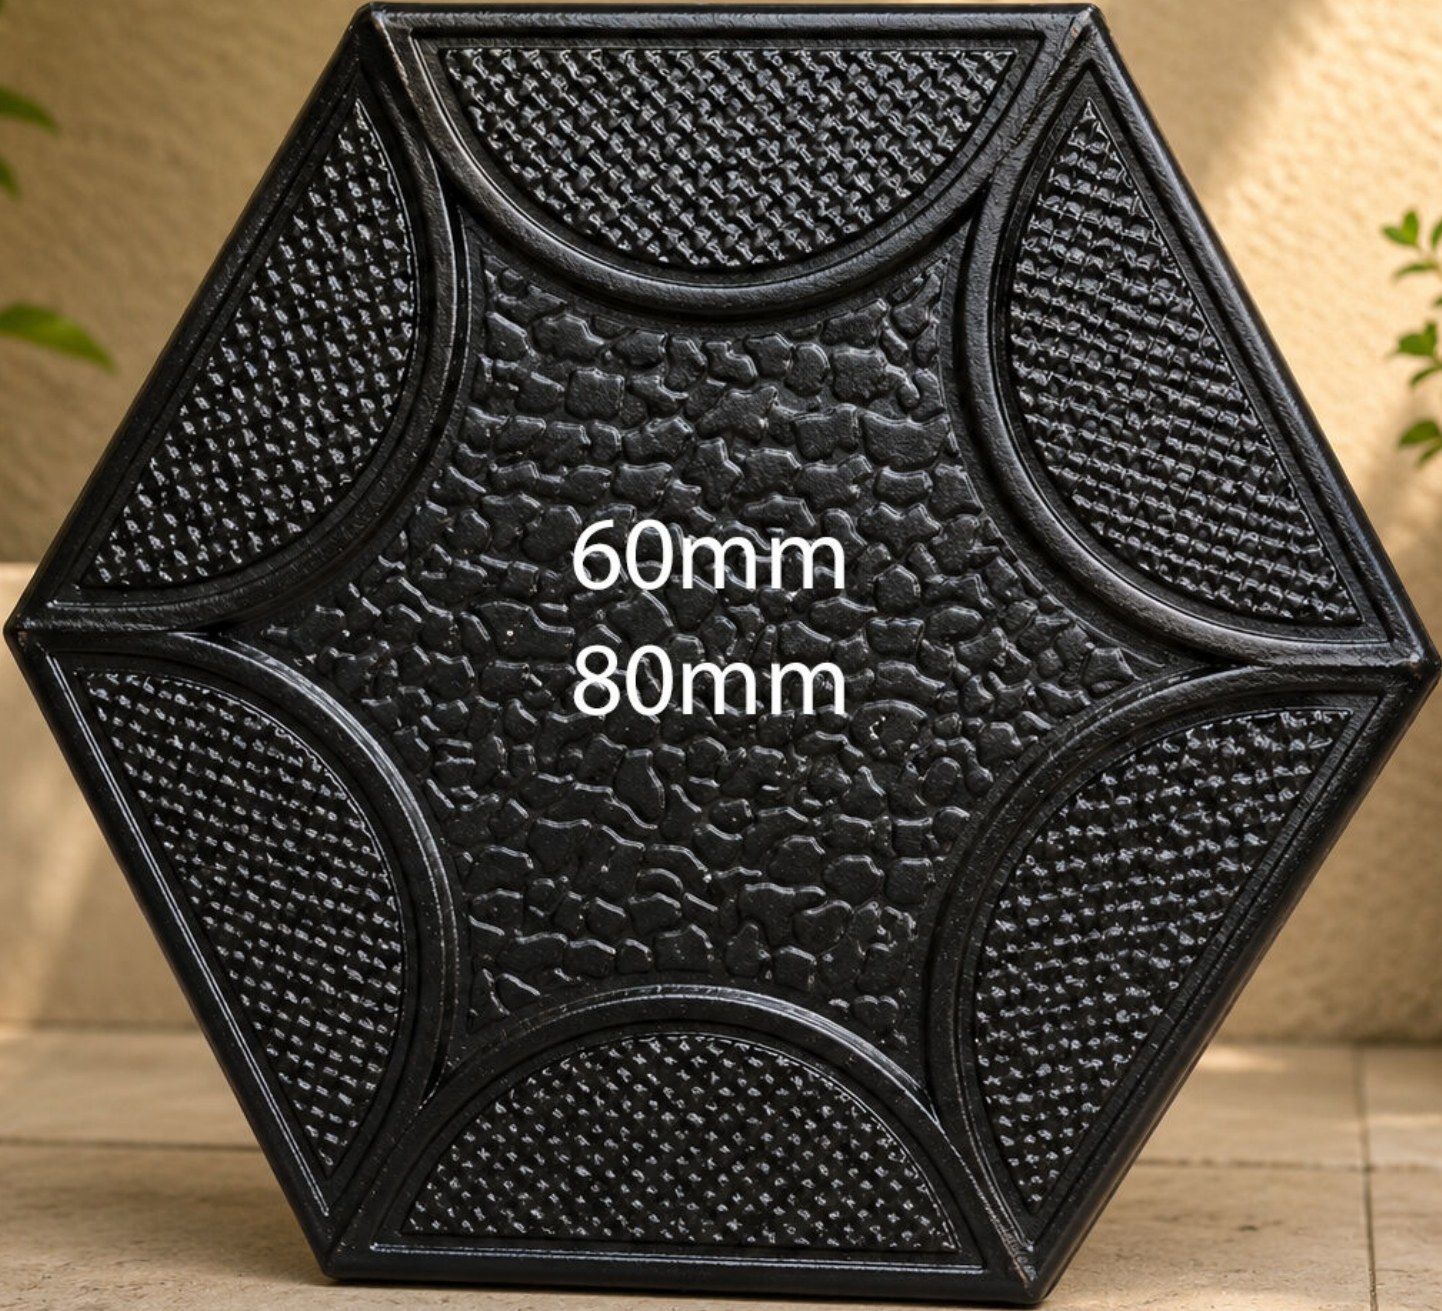

60mm
80mm

A yellow, textured rectangular block with a central notch and a central protrusion, resting on a paved surface. The block features a repeating pattern of small, raised, bone-like shapes. The dimensions 60mm and 80mm are printed in the center.

60mm
80mm

60mm
80mm

A black hexagonal tile with a textured surface. The tile features a central square area with a raised, pebbled texture. This central area is surrounded by six triangular sections, each with a different texture: a fine grid, a coarser grid, and a pattern of small, irregular shapes. The tile is set against a light-colored wall with potted plants on either side.

A solid red rectangular block is shown from a three-quarter perspective, resting on a light-colored wooden surface. The block is oriented such that its front face is slightly angled towards the viewer. The top surface is a uniform red color. The front face is also red, with the dimensions '60mm' and '80mm' printed in white. To the right, a portion of another red object with a textured, possibly woven or braided surface is visible. The background is a plain, light-colored wall.

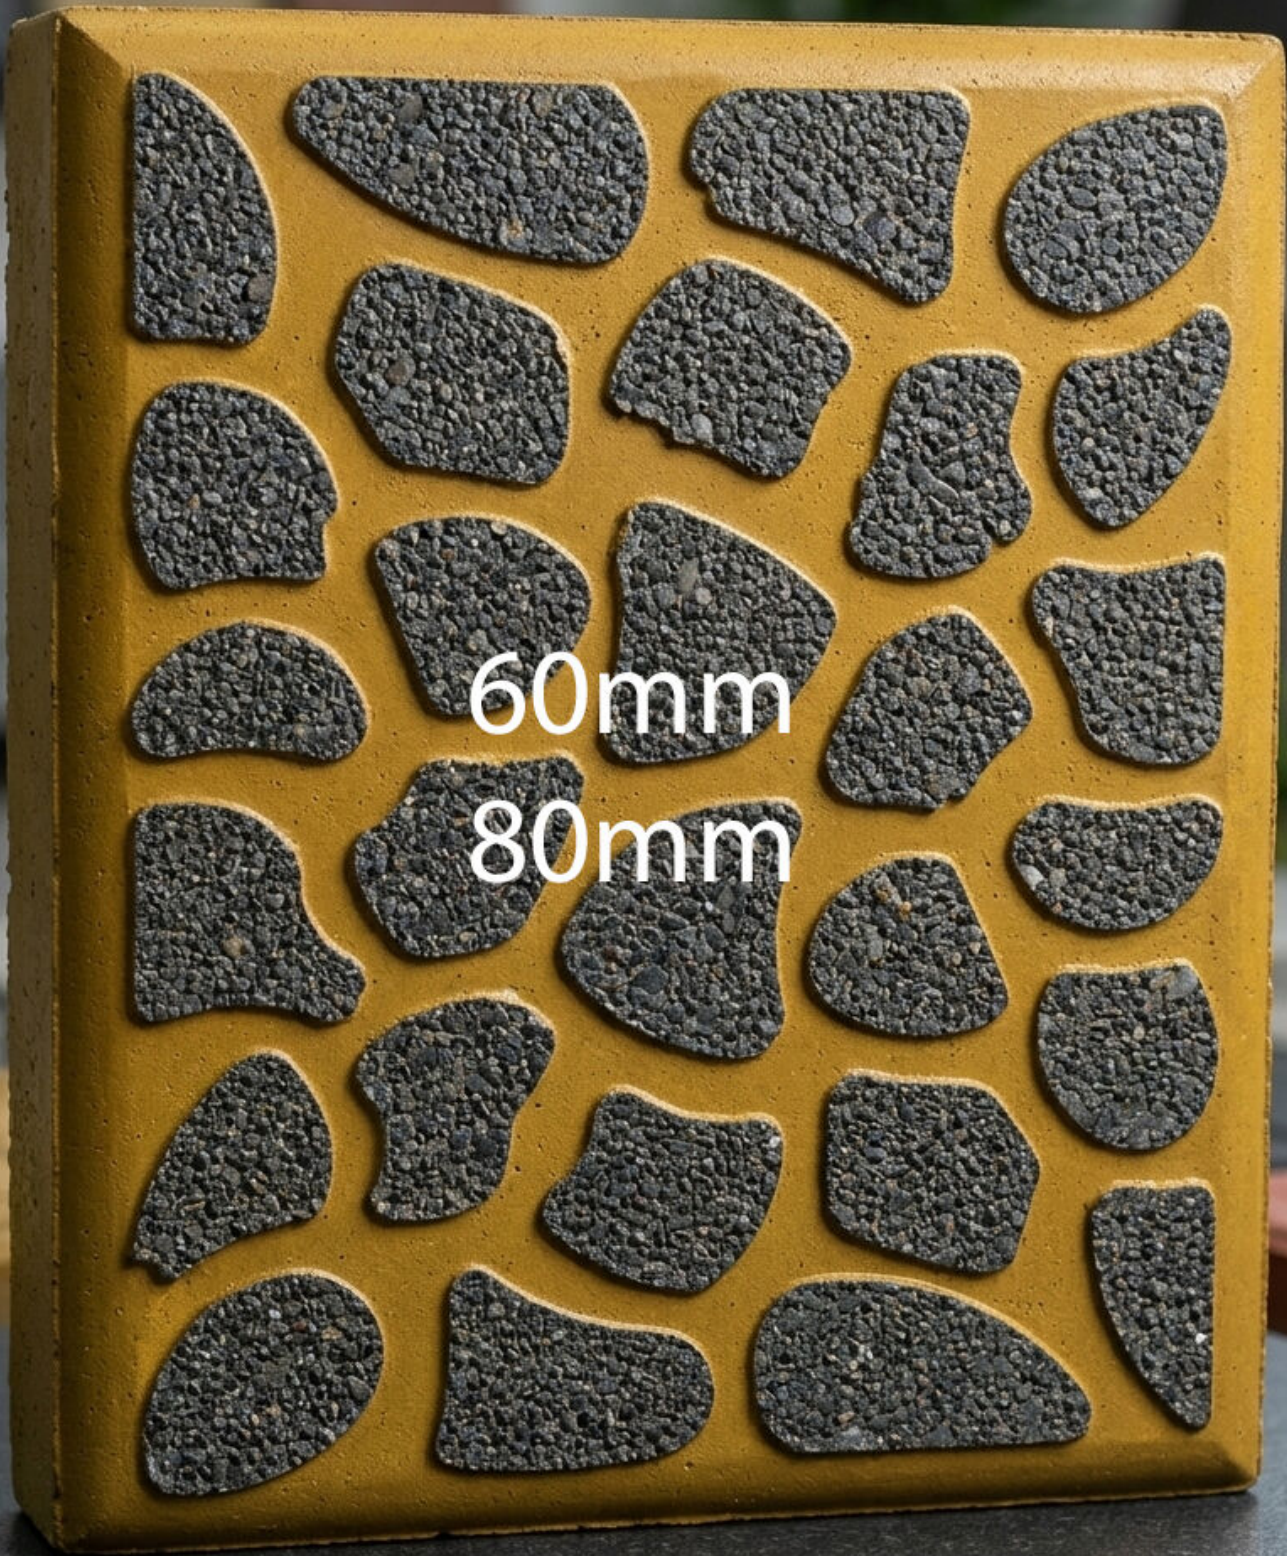

60mm
80mm

The image shows a close-up of a red, textured surface. It features a series of parallel diagonal ridges that run from the top-left towards the bottom-right. Between these ridges is a fine, pebbled texture. The overall color is a vibrant red. In the center of the image, the text "60mm" and "80mm" is displayed in white. To the right, a portion of another similar red object is visible. The background is a solid, light yellowish-tan color.

80mm

A square yellow brick is shown, featuring a grid of dark, pebbled inserts. The inserts are arranged in a 6x6 grid, with each insert having a rough, pebbled texture. The brick is placed on a dark surface, and the background is blurred.

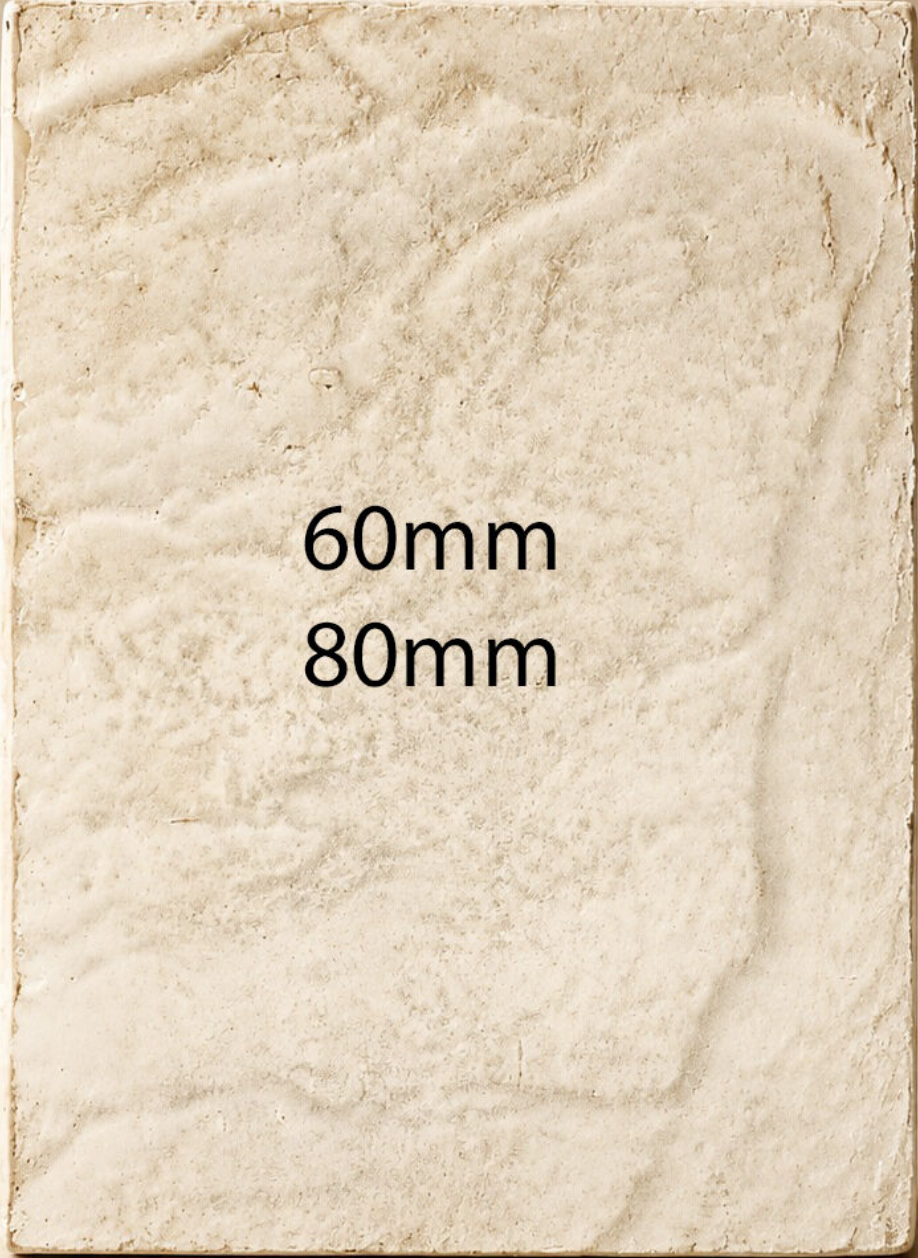

A square sample with a bright yellow, highly textured surface, possibly a woven fabric or a specific type of paper. The texture consists of small, irregular, raised bumps. The sample is centered against a plain, light beige background.

80mm

A square book cover with a vibrant orange, pebbled texture, resembling leather. The cover is centered on a light gray background. The texture consists of small, irregular bumps and grooves. The edges of the cover are slightly raised.

60mm
80mm

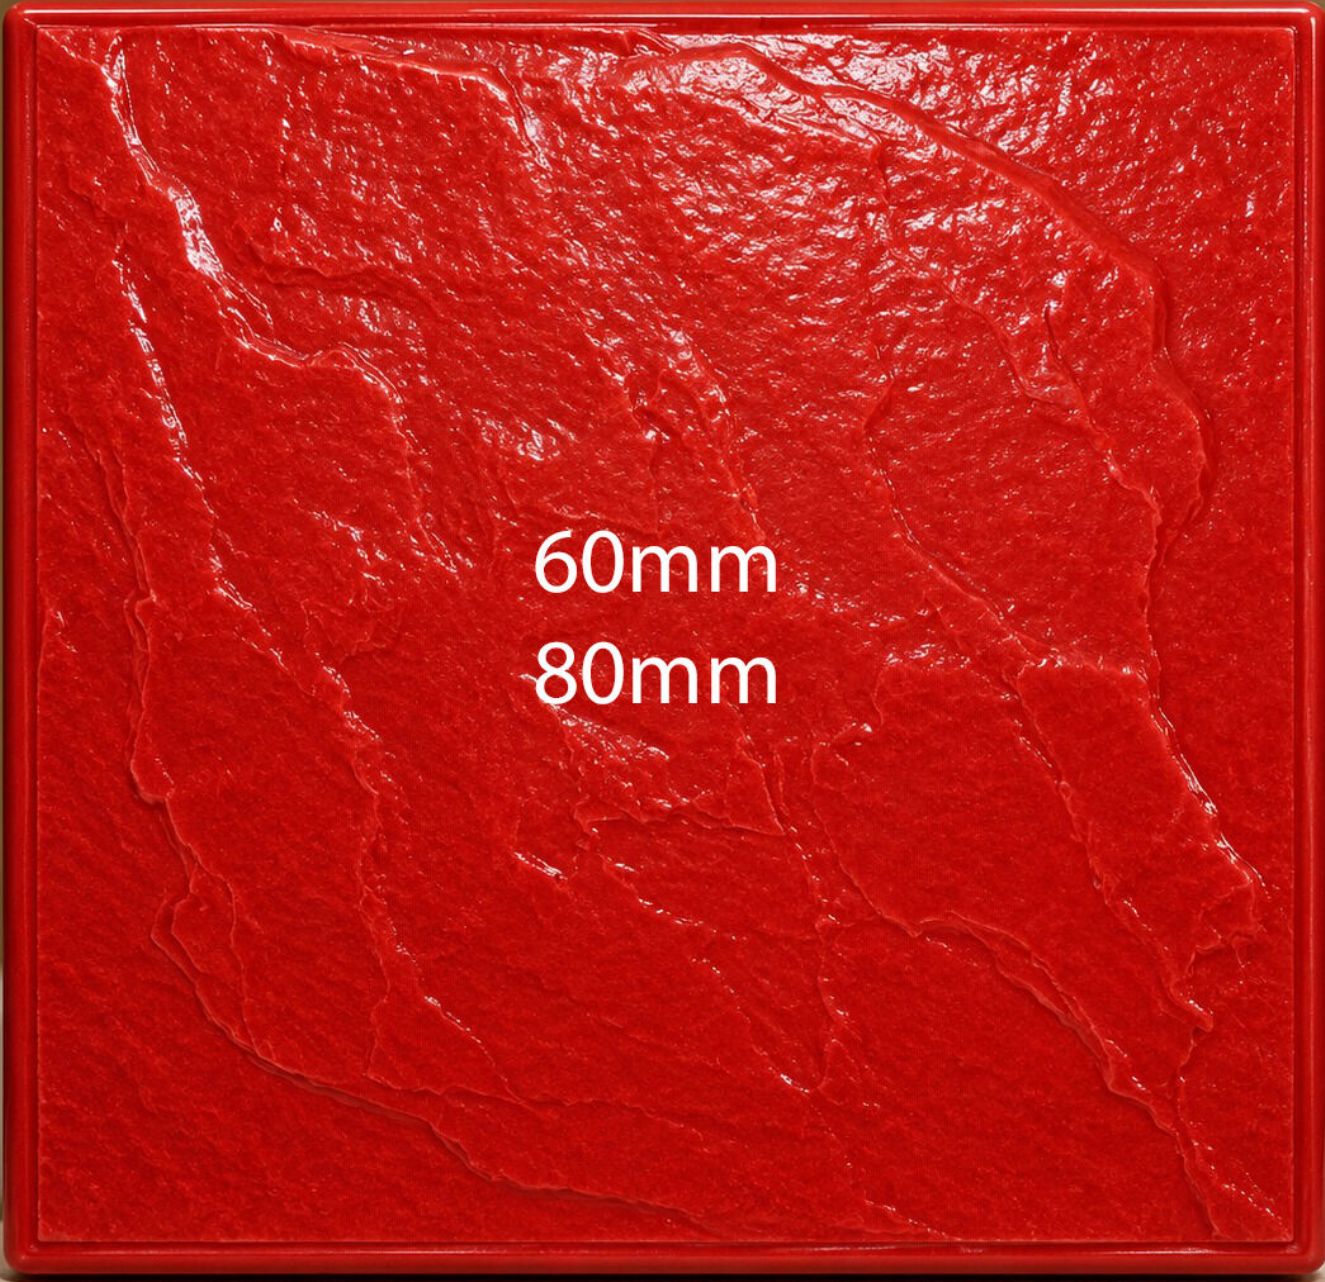

A rectangular object with a vibrant red, glossy, and heavily textured surface, resembling leather or a similar material. The texture consists of irregular, wavy patterns. The object is positioned horizontally on a light-colored, possibly stone or concrete, surface. In the center of the object, the dimensions '60mm' and '80mm' are printed in white. The background is a solid, muted olive-green color.

60mm
80mm

A red, textured book cover, possibly made of leather or a similar material, is shown. The cover has a pebbled texture. The dimensions 60mm and 80mm are printed in white text on the cover.

A square object with a vibrant red, glossy finish. The surface is covered in a complex, irregular pattern of fine cracks and creases, giving it a textured, leather-like appearance. The object is set against a plain, light-colored background.

60mm
80mm

The image shows a yellow rectangular panel with a fine, pebbled texture. A diagonal line runs from the top right corner to the center of the bottom edge. The bottom-left corner is divided into a 2x2 grid of four smaller squares, each with a coarser, more pronounced pebbled texture. The text '60mm' and '80mm' is centered in the upper-left portion of the panel, and '10 x 10' is centered in the top-right portion of the grid section.

10 x 10

60mm
80mm
10 x 10

The image shows a white, textured tile with a grid pattern. The tile is divided into four rectangular sections by a central vertical line and a horizontal line. The dimensions '60mm', '80mm', and '10 x 10' are printed in the center of the tile. The tile is placed on a wooden surface, and a red textured tile is visible to the right.

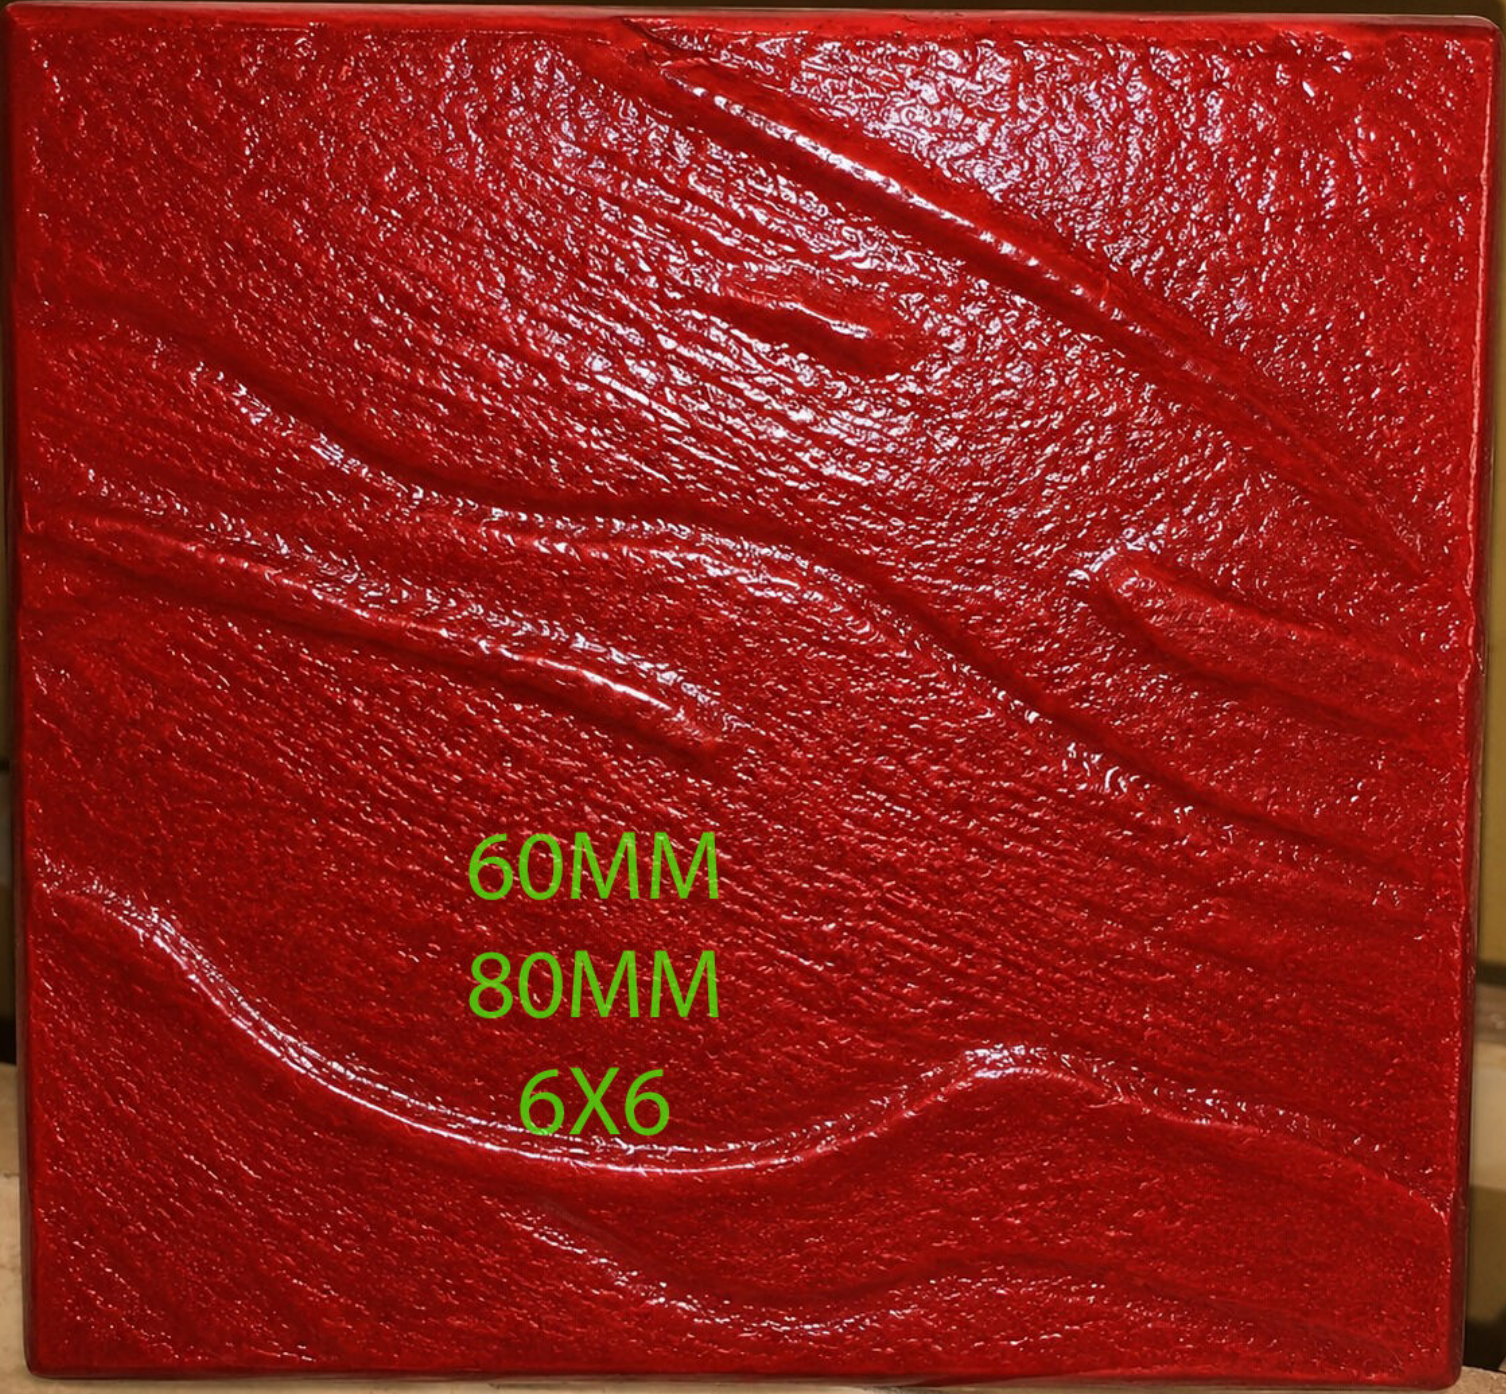

A close-up photograph of a red, textured surface, possibly a book cover or a piece of leather. The surface is covered in a fine, pebbled grain. Several prominent, wavy, embossed lines run diagonally across the frame. In the center, the text "60mm" and "80mm" is overlaid in a bright green, sans-serif font. The background is a plain, light-colored surface.
